Did you know..... Empire Mills is centrally located 2 miles off of I-20. The property was built in 1913 by Empire Mills Cotton Company. The original cotton gun sits in the center of the property and has been transformed into a beautiful space suitable for a chapel, music hall or event space for up to 150 guests. The banquet hall runs parallel to the train tracks with many of the original elements still intact. With the addition of 3 enormous locally welded iron chandeliers, the banquet hall offers rustic elegance for events up to 500 guests. It is flanked with an interior courtyard and pasture side courtyard which features the original red correlated metal blacksmith shed and antique syrup kettle fire drums. Also on property is a bridal cottage which served as the original office for the mill, and a separate room with loft space where the groom and groomsmen can relax in style with a wet bar, comfortable sofas and a flat screen television. If your looking to have **Corporate Events Empire Mills** offer Audio/Visual capabilities, meeting rooms, on-site food and beverage services provided by **Hallie Jane's Catering**. For more information and to see their progress visit www.empiremillsga.com or call 706-342-2837

KA\$H Term for the week "**Adaptability**" is the ability to adjust oneself readily to different conditions and situations.
